Infants

The infants learned all about dinosaurs! They made handprint and footprint dinosaurs too! For the month of August, we welcomed back Owen and Cadence! We also welcomed some new friends this month! Everett is adjusting well and is full of smiles! Trinity loves the swing and bouncy chair and loves to watch everyone! Our friends Peliah, PJ, and Justin are all sitting with help while Addison is pulling herself up and standing with help! Everyone enjoyed listening to nursery rhymes like "Itsy Bitsy Spider" and "Twinkle, Twinkle Little Star!"

Preschool/PreK

This month we celebrated the end of summer with a big luau! Everyone loved water play and going in the sprinkler and the slip& slide! Preschool practiced colors and shapes and had a scavenger hunt to identify their colors and shapes. PreK focused on writing their first and last names. Preschool and PreK also counted down the days till the first day of their new classes! We said our "see ya later's" to our friends going onto Kindergarten!

Toddlers

The toddlers ended the summer with a splash! They loved playing in the water table and sprinkler! They enjoyed painting with water colors and dancing with ribbons and instruments! They especially loved dancing and singing along to "Baby Shark" all summer long! Miss Stacey's class enjoyed reading "123 to the Zoo" and making fun creations with play-doh!

School-Age

The school age kids had a great summer and enjoyed their end of summer bash at Jasper Park! The month of August they enjoyed swimming at the Emmaus pool and playing on the slip& slide at the center. They enjoyed painting a turtle at Art Fusion and loved bowling at Hampton Lanes! Their favorite was going to Bounce U this month. The school age kids had a lot of fun this summer and we look forward to having a great school year!
