Read Me

- ◆ In case of inclement weather please check WFMZ for updates on closures or delays. We would also post any updates on Himama and our Facebook page. Thank you!

Dates to Remember!

- ◆ 2/14-Premier's Valentine's Day Party
- ◆ 2/17- No school EPSD closed
- ◆ 2/17-School-age summer sign up forms are due

Infants

The infants explored arctic animals in an icy habitat by painting with ice and making a snowman! Autumn enjoys eating cereal and purees and Trinity is starting to crawl and so is her buddy Everett! Peliah is standing on her own and Madelynn is army crawling. Ashton has begun to pull himself up and Naomi enjoys painting and playing with friends. Colton watches his friends and likes to play in the jumperoo. Happy Birthday to Justin and Phillip! They are having a blast visiting Miss Rose in the toddler room!

Toddlers

Miss Rose's class learned about snowmen and what it takes to make one, and they loved singing Frosty the Snowman! They also worked on putting on their own mittens and gloves. Miss Katie's class talked about winter, they enjoyed playing outside in the snow and made their own snowflakes. Miss Michelle's class read about snowmen and made snowflake art projects. They practiced the balancing beam and jumping! Miss Stacey built a snowman from boxes and played pin the nose on the snowman. They also had a fun snowball fight with tissue paper snowballs! Sounds fun! Her class also enjoyed reading the story "The Snowy Day."

Preschool

Preschool started their building study. They built structures using connecting cubes and sugar cubes. They looked at blueprints and different kinds of tools. Preschool built cities using different sized blocks and walked around the school and counted how many doors Premier has. They also started comparing tall vs small. PreK also started their building study. They looked at different kinds of buildings in pictures and made a city skyline. PreK built their own 3D buildings and did a community helpers sort. They got to enjoy some time outside in the snow and really like their new literacy center.

Premier Kindergarten

Kindergarten celebrated the New Year! They created their own snowmen crafts and wrote a letter to their snowmen. They learned all about penguins that live in the warm and in cold places. Kindergarten discussed the life of Martin Luther King Jr. and how his dream changed the world. They ended the month by making predictions for Groundhog Day!

February Menu
