Dear Parents

We understand that due to your inability to enter the building it may bring difficulties when trying to communicate with us. Please feel free to call at any time to talk to the office or your child's teacher. Thank you!

Infants

The infants welcomed three new friends this month. Welcome Nolan, Everly and Madalyn! They made apple prints and painted with leaves. Brantley is full of smiles and likes to watch his friends. Maisie loves bouncing in the jumperoo, while Caleb and McKinli enjoy playing outside! Aiden is now starting to eat fruits and vegetables. Maverick and Ben are now on table food and love it! Autumn celebrated her 1st birthday and is now out with Miss Rose.

Toddlers

Pre-Toddlers began the month by learning about scarecrows, which they loved! They danced to scarecrow songs and read the story, The Shy Scarecrow. They painted with different items from nature and sang the song "All the Leaves are Falling Down."

Toddlers were busy this month with their back to school activities. They practiced trying to say their names and made a handprint collage with all their friends' handprints. They then began to learn about colors, shapes and apples. They did a fun apple tasting as well as painted with apples.

Preschool

Preschool and PreK were welcomed to their new classroom this month! Preschool drew self-portraits and discussed their families. They began to practice name recognition by doing puzzles with the letters in their names and practiced identifying shapes. They ended the month by painting with apples. PreK drew pictures of their families and discussed what family members and pets they lived with. They practiced writing their names and in art they decorated stars with paper squares. PreK also started their alphabet books and show and tell. Sounds like so much fun! Preschool and PreK did a great job at the Trike-A-Thon! Way to go everyone!

Premier Kindergarten

Kindergarten is off to a great start! They started with a letter, number and sight word of the week. They are practicing colors, shapes and are even starting to learn 3D shapes. Great job! Kindergarten began learning their letter sounds and matching upper case and lowercase letters. Way to go, we can't wait to see how much they grow this year!
