Infants

The infant room made lots of cute crafts this month including tissue paper pumpkins, footprint Frankenstein's and handprint spiders. Ben celebrated his first birthday and Maverick is walking! Aiden and Maisie are now sitting by themselves and Brantley will be doing so very soon, he is working really hard! Everly is enjoying sitting in the froggy seat while watching her friends and Nolan loves that activity mat. McKinli is moving all over the room trying to keep up with the "big boys" in class. Caleb is beginning to take steps on his own and Madalyn is full of smiles!

Toddlers

Pre-toddlers were all about Halloween this month. They sang the songs "5 Little Pumpkins" and "1-2-3 Little Witches" and they played with the inside of a pumpkin. In art they made water color bats and handprint/ footprint ghosts. The toddlers enjoyed the Premier Pumpkin Patch where they got to go outside and hunt for their own pumpkin. They counted pumpkin seeds, played pumpkin bowling and for sensory played with the pumpkin insides and lots of fun activities with spiders! All the toddlers are reading the stories Teeth Are Not for Biting, Hands Are Not for Hitting and Feet Are Not for Kicking.

Preschool

Preschool and PreK began their tree study. They began to explore tree parts in science labeled the parts of a tree and made a few tree crafts. Towards the end of the month they took some time to concentrate on Halloween. They had a blast at their Fall Fest and loved painting pumpkins and eating lots of Halloween goodies. They learned fun Halloween songs and some interesting facts about spiders and bats. PreK was very busy this month practicing writing their names by themselves!

Premier Kindergarten

Kindergarten learned about pumpkins and their life cycle. They explored the world of nocturnal animal such as owls and bats. Kindergarten discussed lost of Fire Safety skill and safe practices. Way to go! They decorated the room and celebrated Halloween with lots of fun activities! We are very excited for them because they now started sight words and they are all off to a great start! They also began the Book It program where they can earn pizza for reading. Great job Kindergarten!
