Read Me

Tis the season for snow! During inclement weather please stayed tuned to WFMZ for closures, delays or early closures.

Dates to Remember!

- ◆ 1/17- EPSP no school

Infants

The infants listened to lots of Christmas songs this month and enjoyed making holiday themed art projects. They made handprint menorahs, Christmas trees and special gifts for mommy and daddy. Peyton is on the move and exploring all around the room. Halle, Chloe and Aidan are themselves up on the shelves. Walter is eating table foods and loving it! Josiah mastered sitting and Zoey likes to sit in the froggy seat and is all smiles. Silas and Ava are all ready to move to Pre-Toddlers!

Toddlers

Toddlers loved celebrating Christmas! They decorated a felt tree and enjoyed singing Christmas songs. They enjoyed making gifts for parents and used jingle bells to carol around the center! They did the Reindeer Pokey and a holiday freeze dance! Toddlers loved playing pin the nose on the Rudolph and did a great job visiting Santa. They had a blast at their holiday party!

Preschool

Preschool and PreK finished up their tree study and learned about Hanukkah. They practiced ways to calm down and letter recognition. They all did such a great job singing Christmas carols and made parent gifts. They also learned fun facts about reindeer. Preschool and PreK enjoyed participating in our Christmas spirit weeks and getting a special visit from Santa.

Kindergarten

Kindergarten was excited to prepare for Christmas. They made decorations and the class was excited to help with painting and decorating their parent's Christmas presents, and making the card and wrapping it! They finished our number of the week chart and will begin our 100 charts when we come back to school! Everyone has been hard at work practicing their sight words and have been doing great reading their take home readers. Kindergarten enjoyed all of our Christmas festivities especially singing Christmas carols while Miss Cheryl signed them!
